Subject:	Investigation of Unsolicited Address Rerouting Email
Investigating Officer:	Sunil Mehta, Head of Procurement Governance

Audit Review Summary:

On 2026-10-11, an external email from 'logistics-update@external-contractor.in' requested rerouting PO-2026-8841 to Electronic City.

Procurement Governance verified that no authorized manager (Priya Sharma or dock supervisors) issued or approved this change. The domain 'external-contractor.in' is not an approved company vendor.

Action Taken: The address reroute was strictly REJECTED. Carrier was explicitly confirmed to deliver only to authorized Nexus Dock 4 at Whitefield.
